Statement Condemning the Bondi Shootings and Expressing Solidarity with the Victims and all Affected Communities

The Australian National Imams Council (ANIC), the Council of Imams NSW and the Australian Muslim community unequivocally condemn the horrific shootings in Bondi.

These acts of violence and crimes have no place in our society. Those responsible must be held fully accountable and face the full force of the law.

Our hearts, thoughts and prayers are with the victims, their families, and all those who witnessed or were affected by this deeply traumatic attack. We acknowledge the pain, fear, and distress felt across the community and extend our sincere compassion and support to all who are grieving.

We urge the community to remain vigilant, exercise caution, and support one another during this challenging time.

This is a moment for all Australians, including the Australian Muslim community, to stand together in unity, compassion, and solidarity, rejecting violence in all its forms and affirming our shared commitment to social harmony and the safety of all Australians.
